Musical Youth Foundation

Working to provide every child on the Island of Ireland with access to a musical education
www.musicalyouthfoundation.org

The Musical Youth Foundation (MYF) Charity (Reg. Charity No. 18624) was established by Dublin City Soul Festival to provide musical instruments and tuition for children. Making a donation means you're making a difference...

Apart from being a very satisfying hobby, learning a musical instrument has a massive and positive effect on every area of a child's development. By making a donation to the MYF you'll be ensuring we can provide even more children with access to a musical education.

Give the gift of education and you'll be helping to change lives.

Donate at any of our festival venues where you see the donation buckets or online via www.musicalyouthfoundation.org
